

REMARKS

Claims 1-3, and 5-16 are pending. By this Supplemental Amendment, which is further to the Amendment filed on July 16, 2007, claims 1, 5, 8, and 15 are amended to simply restate a claim term, as requested by the Examiner in an Interview on September 12, 2007, to place the Application in condition for allowance, and a Terminal Disclaimer is submitted over Patent No. 7,087,284. No new matter is added.

The claim amendments and the Terminal Disclaimer are submitted simply to expedite allowance of the pending claims.

For the following reasons, reconsideration and allowance are respectfully requested.

CONCLUSION:

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 503333.

Respectfully submitted,

STEIN, MCEWEN & BUI, LLP
